

# RUCHEL GODELLO

## A wine to savour

Mono-variety wine, elaborated with yearly grape harvest. Godello variety. Under Valdeorras Denomination of Origin.

### TASTING NOTES

Shows a pale yellow colour, with tonalities of ripe lemon, very clean. Has intense aroma, stands out for its complexity, elegance and finesse, where we can clearly appreciate touches of fruits. To begin with is very smooth, but with the right amount of acidity. Introduces itself with an ample variety of fruit tastes, showing a great persistence and a global sensation of roundness.

### GASTRONOMY

Recommended for cheeses, fish and all kinds of shell fish.

### BOTTLE TYPE

750 cl.
